GHAYOOR KHAN

Full Stack Web Developer

PROFESSIONAL SUMMARY

Full Stack Web Developer and BS Computer Science student skilled in building responsive, modern, and user-friendly web applications. Experienced in frontend development, UI/UX design, and creating interactive websites using modern technologies. Passionate about clean code, problem-solving, and developing scalable digital solutions.

PROJECTS

Personal Portfolio Website

- Developed a modern responsive developer portfolio showcasing technical expertise and work.
- Added smooth animations, interactive UI components, and dynamic project showcase sections.
- Built with modern frontend technologies focusing on performance and user engagement.

Mobile Shop E-Commerce Website

- Created a responsive e-commerce web interface tailored for mobile retail.
- Implemented interactive product cards, wishlist functionality, and user-friendly navigation.
- Focused on clean UI, intuitive shopping experience, and cross-device layout design.

Education Dashboard

- Developed an interactive web-based dashboard system for educational analytics.
- Implemented custom charts and data visualisations using Chart.js.
- Designed responsive, multi-device layouts for seamless monitoring across screen sizes.

WORK EXPERIENCE

Freelance Web Developer

- Designed and developed high-performing, responsive websites for various clients.
- Converted Figma and UI design mockups into pixel-perfect, functional web pages.
- Optimized website load times, mobile responsiveness, and overall user experience.
- Built modern, scalable interfaces tailored specifically to client requirements.

EDUCATION

Bachelor of Science in Computer Science (BSCS)

2024 - 2028

KFUEIT Sub Campus Rajanpur
